PLUMBERS LOCAL 24 WELFARE FUND - APPRENTICES

Effective July 1, 2023

ELIGIBILITY RULES – ACTIVE PARTICIPANTS

You will become eligible to receive benefits on the first day of the second month that follows an employment period of not more than 6 consecutive months during which you have been credited with 300 hours of service. Upon satisfying this requirement, you will remain eligible for a minimum of three months:

If You Have 300 Hours During the Prior:	You Will Become Eligible:	And Will Remain Eligible Until At Least:
June through November	January 1	May 31
July through December	February 1	May 31
August through January	March 1	August 31
September through February	April 1	August 31
October through March	May 1	August 31
November through April	June 1	November 30
December through May	July 1	November 30
January through June	August 1	November 30
February through July	September 1	February 28 (29)
March through August	October 1	February 28 (29)
April through September	November 1	February 28 (29)
May through October	December 1	May 31

To maintain your eligibility thereafter, you must have at least 300 hours of service each calendar quarter. Your eligibility will terminate on the last day of the second month following the calendar quarter during which you fail to receive credit for at least 300 hours.

If You Have Less Than 300 Hours of Credit Between:	Your Eligibility Will Terminate On:
January 1 – March 31	May 31
April 1 – June 30	August 31
July 1 – September 30	November 30
October 1 – December 31	February 28 (29)

Hours of service in excess of the hours required to establish and maintain eligibility will be placed in a reserve and will accumulate up to a maximum of 600 hours. This reserve will be drawn upon to maintain your eligibility if you should fail to receive credit for at least 300 hours of service during a subsequent calendar quarter.

If you become disabled while eligible, you will be credited with 25 disability hours for each week that you are disabled up to a maximum of 600 hours for any one continuous period of disability.

10 MONTH REINSTATEMENT PROVISION

Should your eligibility terminate, it will be reinstated provided you are credited with at least 300 hours of service within the 10 month period following your termination. Hours of service worked during the calendar quarter immediately preceding your termination date, plus any accumulated reserve hours, will be applied towards this 300 hour requirement. If you do not satisfy this reinstatement provision, you will be treated as a new employee and will be subject to the 300 hour requirement for initial eligibility outlined above.

Termination Date:	**Period of Time to Work a Total of 300 Hours (Plus any Remaining Reserve Hours) To Reinstate:**
February 28 (29)	October 1 of the prior year – December 31
May 31	January 1 – March 31 of the next year
August 31	April 1 – June 30 of the next year
November 30	July 1 – September 30 of the next year

Your eligibility will reinstate on the first day of the second month following that calendar quarter during which you meet this 300 hour requirement.

If You Are Credited with Your Required 300th Hour to Reinstate Between:	**Your Eligibility Will Reinstate On:**
January 1 – March 31	May 1
April 1 – June 30	August 1
July 1 – September 30	November 1
October 1 – December 31	February 1

SELF-PAY PROVISION

A self-pay option is available to employees who are subject to termination as a result of failing to meet the quarterly eligibility requirement by 100 hours or less. In this event, you have the opportunity to make contributions on your own behalf to the Welfare Fund for the hours necessary to meet the 300 hour requirement at the normal employer hourly contribution rate. For example, if you have 150 hours of service during a calendar quarter, and you have 110 remaining reserve hours, you will have a total of 260 hours towards the requirement of 300 hours leaving you short of the requirement by 40 hours. In this situation, you would be permitted to make a contribution on your own behalf for the 40 hours at the hourly employer contribution rate, to maintain your eligibility for an additional three (3) months.

COBRA

If you fail to meet the eligibility requirements and lose eligibility, self-pay continuation of coverage is available under COBRA for up to 18 months. If your dependent loses eligibility due to your death, divorce, or your child attaining the maximum eligible age, self-pay continuation of coverage is available under COBRA for up to 36 months. Your accumulated reserve hours will be applied before self-pay is required. The present monthly COBRA rates are as follows:

	Journeymen
Single	$ 486
Parent/Child(ren)	$ 730
Husband/Wife	$ 827
Family	$ 972

ELIGIBILITY RULES – DEPENDENTS

1. The spouse of the employee under a legally valid existing marriage under the laws of the state where the covered employee lives.

2. The employee's natural child, stepchild, legally adopted child, foster child or legal ward **provided the child has not reached the end of the month in which he or she turns 26 years of age**.

3. Any other child of an employee or their spouse who is recognized in a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN) which has been issued by any court judgement, decree, or order as being entitled to enrollment for coverage under the Plan, even if the child is not residing in the employee's household.

4. Adopted children, who are less than 18 years of age at the time of adoption, shall be considered eligible from the date the child is placed for adoption.

5. A child who is unmarried, incapable of self-sustaining employment and dependent upon the employee for support due to mental intellectual disability and/or physical disability, and who was covered under the Plan prior to reaching the maximum age limit or other loss of dependent's eligibility, will remain eligible for coverage under this Plan beyond the date coverage would otherwise be lost.

The Fund will require proof of dependent status.

DEPENDENT COVERAGE IN THE EVENT OF YOUR DEATH

Spouse and dependent children of a participant who was eligible for ACTIVE coverage (not on COBRA) at the time of death:

Following your death, your surviving spouse and dependent children will remain eligible for health benefits until the earliest of the following dates:

1. The last day of a period of 6 months following your death or to the extent that your reserve hours are sufficient to maintain your eligibility, whichever is longer. Your surviving spouse and dependent children are covered at no cost for this 6 month period.
2. The date your surviving spouse remarries.
3. The date your surviving spouse becomes eligible for health benefits under another group coverage.
4. The date your dependent children cease to meet the definition of eligible dependent under the Plan (i.e. attaining the maximum age).

Surviving spouses of active participants may continue coverage for a period of 36 months at the current COBRA rates for themselves and/or your dependent children.

Should there only be dependent children surviving (no spouse) after the 6 months of guaranteed coverage, the dependent children would be able to continue the coverage for up to 36 additional months under COBRA.

- Talking to you about your health and possible ways to improve it
- Connecting you with other health professionals, including registered dietitian and behavioral health specialist.

Participation in the program is free and voluntary. To speak with your Horizon Care Navigator, call **1-888-621-5894**, option **2**, followed by option **3** weekdays, between 8am and 5pm Eastern Time.

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider you did not elect at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "**balance billing**." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit. This Plan does NOT provide elective out-of-network benefits, meaning if you elect to have care with an out-of-network provider, the Plan may not pay for such services.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of- network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition **unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.**

Federal Law

The Consolidated Appropriations Act, 2021 (CAA) was signed into law on December 27, 2020. The CAA includes a provision known as the No Surprises Act. No Surprises Act opens a dialog window, which establishes protections from surprise billing, effective January 1, 2022. The No Surprises Act offers protections that are similar to the New Jersey OON Mandate and applies to those surprise bills not subject to the New Jersey OON Mandate, including bills for care provided outside of New Jersey and air ambulance services, if air ambulance is a covered benefit under a health plan's contract.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed. If you get other types of services at these in-network facilities, out-of-network providers **can't** balance bill you unless you give written consent and give up your protections.

You're <u>never</u> required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network to avoid balance billing.

<u>When balance billing isn't allowed, you also have these protections:</u>

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.

- Generally, your health plan must:
  - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
  - Cover emergency services by out-of-network providers.
  - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
  - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed or have questions, please contact I.E. Shaffer & Co. and ask to speak with the Manager of the Claims Department at (609)-718-6147.

You may visit *<u>www.cms.gov/nosurprises/consumers</u>* for more information about your rights under federal law.

After $2,600 per person or $5,200 per family of out-of-pocket prescription expenses during a calendar year, there will be no co-payments required for the remainder of the year.

*If a name brand drug with a FDA approved generic is requested, the total co-pay will be the generic co-pay plus the difference in cost between the brand and generic medications. This penalty is not subject to the maximum co-pay limitations.

The annual out-of-pocket maximum for self-only coverage applies to all individuals, including those enrolled in family coverage (an individual's out-of-pocket maximum is embedded in the family's out-of-pocket maximum).

Understanding the Prescription Drug Formulary

The drug formulary utilized by the Welfare Fund is a list of medications published by the Welfare Fund's Pharmacy Benefit Managers. Medications on the list fall into one of the four categories:

Generic Drugs – Generic drugs are the un-branded form of a prescription medication. They use the same active ingredients as brand name drugs and work the same way. The FDA puts all generic drugs through a rigorous, multi-step process to ensure that they are the therapeutic equivalent of their brand name counterparts. That means that a generic drug can be substituted for a brand name drug, and it will produce the same clinical effect while meeting the same safety profile as the brand name drug.

Preferred Brand Name - These brand-name drugs have been identified as the most therapeutically safe and effective options for treatment of most medical conditions. These drugs do not have less-costly generic equivalents because they are sold under a trademarked name.

Non-Preferred Brand Drugs - These products often have either a generic equivalent or a preferred-brand drug alternative.

Specialty Drugs – Specialty pharmaceuticals is a class of prescription drugs that are typically produced through biotechnology (sometimes known as biologicals) and require special patient monitoring and handling, in addition also require unique education prior to use.

PLUMBERS LOCAL 24 SUPPLEMENTAL BENEFIT

The Plumbers Local 24 Welfare Fund has a plan of Supplemental Benefits that includes a Health Reimbursement Arrangement (HRA). This is available to 2nd, 3rd, 4th and 5th year Apprentices.

YOUR ACCOUNT BALANCE IS EQUAL TO:

- Employer Contributions, plus
- Investment Earnings (credited as of April 30th), less
- Withdrawals, less
- Expenses (applied as of April 30th)

On an annual basis, you will receive a statement of your individual account for the 12 month period ending April 30th. As of April 30th of each year, your account will be credited with investment earnings based on your average account balance during the prior 12 month period. In addition, a flat annual expense charge will be applied by the Trustees to all accounts.

TYPES OF SUPPLEMENTAL BENEFITS:

- Medical Reimbursement Benefit - You may apply for a benefit if you or one of your dependents has medical or dental expenses not otherwise paid for by the Welfare Fund or any other form of insurance. Typically, this would include co-pays, deductibles, and coinsurance under the Welfare Plan as well as items not covered by the Welfare Plan. The medical reimbursement benefit is the amount of eligible "out-of-pocket" medical and dental expenses that you have incurred, up to the balance of your account. Your application must be for a total benefit of at least $100 in combined expenses and should be forwarded to I E Shaffer & Co for processing and payment. Claim must be submitted within 24 months of the date of incurred expense or it will be denied.

  The list of eligible medical and dental expenses for which you may seek reimbursement are detailed in IRS Publication 502 "Medical and Dental Expenses" which can be found at www.irs.gov/publications/p502/index.html.

- Retiree Medical Reimbursement Benefit - payable if you qualify for coverage under the Plumbers Local 24 Welfare Plan as a retired employee and you have made required contributions to maintain coverage. The benefit equals the required monthly contribution under the Local 24 Welfare Plan, up to the balance of the account. This benefit is only available up to age 65.

- Supplemental Health Benefits – payable if you have qualified under COBRA for continued coverage under the Plumbers Local 24 Welfare Plan and you have made required contributions to maintain coverage.

- Supplemental Unemployment Benefit - up to $2,000 if you have no contributory hours to the Welfare Fund for at least three (3) consecutive months while on the out-of-work list of Plumbers Local Union 24. A separate supplemental unemployment benefit will be paid if you have an additional three (3) consecutive month period with no contributory hours to the Welfare Fund.

FEDERAL AND STATE INCOME TAXES:

- The Supplemental Benefits that you receive for out-of-pocket medical and dental expenses are not subject to federal or state tax.

- The Supplemental Benefits that you receive for unemployment, are subject to significant tax liability and withholding including federal and state income taxes as well as F.I.C.A. (Social Security – both employee and employer share) and federal unemployment taxes. The Fund Office will issue the appropriate tax form to you.
